

Your 2019 Sponsorship in the Lake Erie Islands Nature & Wildlife Center is Very Important!

Partnering with the Lake Erie Islands Conservancy and The Lake Erie Islands Historical Society the Lake Erie Islands Nature & Wildlife Center was established; Purchasing a 1.2acre parcel of woodland and received the half-acre Alaskan Birdhouse Museum as a gift. This donation provided a headquarters for Nature Camp programs and a natural history educational center for the islands. We have since become an independent non-profit organization in 2012. We average 8,000 visitors per year, as well as several hundred Nature Campers, nearly one thousand attendees of our Wild Tuesday programs, and over 150 Road Scholar participants.

The Lake Erie Islands Nature & Wildlife Center is working towards a building addition to continue our mission "to promote conservation and education of the flora, fauna, and lands of the Lake Erie Islands ecosystem."
