

# LAKE ERIE ISLANDS NATURE AND WILDLIFE CENTER 2019 BUILDING ADDITION CAMPAIGN

lakeerieislandswildlife.com

E-mail: leinwc@gmail.com

We have been offered another Matching Grant Challenge. Brad and Zoe Titchener have offered to match up to \$30,000 this year to help get construction under way.

## How can YOU help?

### 1. Adopt a LEINWC Display Animal

This would be a great present for Christmas,  
Birthdays, etc.

The adoptable animals are divided into three levels (see below).

Your name will be displayed with the animal you have chosen.

LEVEL ONE	LEVEL TWO	LEVEL THREE
(\$1,000.00 \$500)	(\$2,000.00 \$1,000.00)	(\$5,000.00 \$2,500.00)
50 Animals from Albino Raccoon to Wood Duck	22 Animals from Badger to Wolverine	11 Animals from Grizzly Bear to Timber Wolf

PLEASE NOTE: all levels are again **half price** to take advantage of the new matching funds challenge.

A full list is available on our website and at the Nature Center. Visit or call to adopt your favorite.

### 2. Square Meter of LEINWC Grounds

You will receive a unique piece of the Nature Center property for a \$50.00 donation.

You can acquire adjacent squares.

Call or visit the center or our website to “close the deal.”

### 3. Traditional Donation

No minimum amount, every dollar is important.

Your check or cash in any amount will help us build the addition.

You can also designate Kroger and Amazon Smile purchases to benefit the LEINWC.
