In 2018 we had over **80 volunteers** and over **2,500 volunteer hours**! That's **AMAZING**! Thanks for another great year. Dear Wildlife Center Supporters,

We have been offered an exciting challenge by anonymous donors to raise funds for completing Phase 2 of our building addition. They have offered to **match funds we raise in 2018 up to \$60,000.00.**

The cost of the building addition is estimated at \$200,000.00. This year after the completion of the porch addition, \$34,880.00 remained in our Building Fund. This year we have donation and pledges of \$32,000.00 which will be matched by our Challenge Grant. We are continuing our efforts to raise the balance of \$66,240.00. Your support for this building project is critical.
