The deadline for our \$60,000.00 matching funds challenge is approaching.

We are offering 3 solutions to help?

1. Adopt or Foster a LEINWC Display Animal

- This would be a great present for Christmas, Birthdays, etc.
- The animals in our center are divided into three levels (see below).
- Visit or contact the center after August 17th for a complete list of the animals available for adoption or foster care or visit our website lakeerieislandswildlife.com
- Your name will be displayed with your chosen animal.
- Select your favorite, first come, first served.

PLEASE NOTE: Until 12/31/2018 all categories are half price to take advantage of the matching funds challenge. A full list is on our website Lakeerieislandswildlife.com
