Lake Erie Islands Nature & Wildlife Center

Summer 2018

We Need You

Every dollar donated will be matched up to \$60,000.00. By reaching this goal we will be able to dramatically move forward on our building addition and provide more for the islands and the communities. Your donation will provide office space for our staff and volunteers, room for new and current interactive displays relevant to the Lake Erie Islands, expand our giftshop and front entrance, and more space for our outreach and educational programs we provide each year for thousands of visitors and participants who benefit from the Wildlife Center.
