The Lake Erie Islands Nature & Wildlife Center has been focused on our mission since our founding in 2008 and our incorporation in 2012 as a Non-Profit, 501(c)(3) organization. All donations are tax exempt.

We work to expand our education programs into the community through the Nature Center, Nature Camps, Wild Tuesday events, Road Scholar programs, Green Week activities (including Stargazing Cruise and Pig Roast) and many other fun, nature-based activities.

Many of our efforts are accomplished in cooperation with our island partners: the Put-in-Bay Township Park District, the Lake Erie Islands Conservancy, The Ohio State University Stone Laboratory, and many other organizations and businesses.

2020 will be especially exciting and challenging! We will be watching our long worked for addition become reality, developing new spaces and new interpretative displays.

Please join us this year by becoming a member!! Our membership levels and benefits are:

- **Black Squirrel \$15.00 Individual Member:** Season Pass to LEINWC
